Prologue: Art, undeniably is conducive to happiness. Art enables us to find ourselves and lose ourselves at the same time. Art never expresses anything but itself. Art is not always about pretty things. It's about who we are, what happens to us and how our lives are affected.

Did you ever imagine about that perfect world where you want to live in? Do you have a knack of sketching those perfect moments that instill joy and contentment? Lose yourself in the stretches of your imagination and create that cannot be explained, but only experienced in the Pencil Sketching Competition at Ekarikthin, where you can sketch the infinities of your soul.
